# Accessories

**3-in-1 Pen Stand (included)**  
 Lay your pen down. Stand it up straight. Never lose your nibs again.

**5-button Mouse**  
 5-button tablet mouse has enhanced orientation for natural use and an ergonomic, ambidextrous design

**Classic Pen**  
 Same features as the Grip Pen, but with a slimmer profile

**Airbrush Pen**  
 Has the feel of a real airbrush, including a fingerwheel to control ink flow

**Art Pen**  
 Emulates brushes, markers and calligraphic pens and features dual coils to accurately track pen rotation

**Inking Pen**  
 Smaller in diameter than the Grip Pen, this pen adds a significant feature - the ability to write or draw with ink on paper.

**Pro Accessory Kit**  
 Contains 2 no-hole grips, a standard nib, 5 stroke nibs, 5 hard felt nibs, 5 flex nibs, a nib extractor tool and a spare side switch

# Versatility

The best just got significantly better. Intuos4 is a revolutionary pen tablet that builds on the standard set by its predecessor to deliver new features and unparalleled performance to photographers, designers and artists seeking optimal control and improved productivity. Here is just a sample of the creative categories that will benefit from the Intuos4 experience.
